PART IV.

NOTIFICATIONS BY THE HEADS OF DEPARTMENTS.

JUDICIAL DEPARTMENT.

IN THE CHIEF COURT OF MYSORE AT BANGALORE.

Notification No. D1.—Dis. 148 *of* 1925-26, *dated the 3rd December* 1925.

FROM

The Registrar,
Chief Court of Mysore, Bangalore.

To

The District Judges and District Magistrates.

The Chief Court has reason to believe that notes of inspection of subordinate civil and criminal courts by the Judges of the Chief Court when forwarded to District Judges and District Magistrates for information and communication to the courts concerned, are frequently delayed by these officers before being transmitted to the courts concerned. Action even on points on which the necessity for action has been pointed out in the inspection notes is not always taken by these officers, nor are instructions always given to the court concerned for attending to such points.

The Chief Court therefore directs that in future, District Judges and District Magistrates shall acknowledge and report to the Chief Court within fifteen days of the receipt of the notes of inspection, the fact of the notes having been forwarded to the court concerned together with the action taken or being, or proposed to be, taken by them in regard to the points observed in the inspection notes together with a copy of any remarks, supplementary instructions or warning conveyed by them to the court concerned.

If the presiding officer of the court inspected does not receive a copy of the inspection notes within one month from the date of inspection, he shall invariably report the fact to his immediate official superior.

A. SREENIVASARAGAVACHARI,
Registrar.
